RESOUND CHOIR

Kim Alexander, Business Manager from Resound Choir contacted us and kindly offered to share information regarding her Choir with Canterbury Common, which is outlined in the following email we received from her. We have also put the link to her choir on the CCRA web page under Events & Activities in the Residents' Pages section.

If you would to be put on Kim's email distribution list to receive a link to their weekly song, please email her, indicating your name and mentioning that you are a Canterbury Common resident.

RESOUND Choir would like to share our recorded choral music with seniors in our community. Our hope and intent is to alleviate a little of the isolation and boredom brought on by the pandemic. The choir's mandates are to sing music with excellence and to meaningfully reach out to the people in our community. Learn more about this Durham Region choir here: <https://www.resoundchoir.ca/>

The piece we're sharing this week is called "*When Music Sounds*" by Connor Koppin. Connor is currently working on his PhD of Music Arts & Choral Conducting at Michigan State University. He says he wanted the explosive entry notes to represent how music makes his heart soar when he hears beautiful music, and how it makes the world go away when he immerses himself in the magic of song. Learn more about Connor here: <http://www.connorjkoppin.com/about>

Here is this week's link, "*All We Like Sheep*": <https://youtu.be/-ZKyn87ozvl>
The choir recorded this song for our fall concert in November 2020. We hope you enjoy it!!

Until next week when we send you another song . . .

CANTERBURY COMMUNICATION

Karen English & Dave Streeter

We are currently working on ways to make email communication within Canterbury more efficient.

One of the ways we have simplified trying to do business in our community was to set up six email addresses to handle canterbury emails.

We are currently working on this. The email addresses are:

- accounting@canterburycommon.ca,
- bulletin@canterburycommon.ca,
- chronicle@canterburycommon.ca,
- handp@canterburycommon.ca
- info@canterburycommon.ca
- social@canterburycommon.ca

We often change volunteers after an AGM and it is sometimes difficult to determine who to contact at that time. By having email addresses set up to represent the function instead of the individual, you will not need to remember the person's name. Emails will be dealt with by the person or persons doing the job.

We will provide more details in the Spring Issue of *The Chronicle*.

DISCOVER PORT PERRY

If you have time on your hands, (and who doesn't right now!) you might want to check out this web site, discoverportperry.ca. which includes lots of local information.

It includes *Shop Downtown Online* and *Things To Do in Port Perry*. They also feature upcoming events, which happens to be blank at the moment due to COVID-19 restrictions.

HOUSE & PROPERTY COMMITTEE

Mail Kiosk - A Reminder - as a courtesy to nearby homeowners and for safety reasons, please do not park on the street or in the driveway to The Centre while picking up your mail. There are parking spaces adjacent to the kiosk for use.

FROM THE CHRONICLE TEAM

As always, we are looking for interesting items to include in the next issue of *The Chronicle*. Do you have pictures of better times when we socialized as neighbours? Are you new to our community and would like to share your story about how you arrived in Canterbury? We would love to hear from you and see your pictures. Please send us anything you would like to share, by March 1st, to Linda Kaban for review. You can reach her using the email address chronicle@canterburycommon.ca.
