## CCRA INFORMATION BULLETIN

December 2021

### PASSING THE BATON

Martha Simmons

I have enjoyed producing the Bulletin for the last four years. It has evolved somewhat over time and the feedback received indicates that residents do find it useful. It is now time for someone else to take charge of it, ensuring that fresh eyes will keep it vibrant and relevant.

I am pleased to let you know that as of January 2022, Brenda Glover will be producing the CCRA Information Bulletin. Arriving in Canterbury in the later part of 2020, Brenda has already stepped forward to join the Communications Committee and has now volunteered to produce the Bulletin. Brenda is a retired lawyer, accountant and Human Resources professional. She also taught as a Professor at Osgoode Law School, Ryerson University, and Seneca College. It is easy to see from her background that she is certainly one to keep herself very busy! I am sure that she will do a great job.

### CALLING ALL CAROLLERS

Two years ago, several Canterbury residents got together one evening during the Christmas Season to sing carols as we walked through most of the streets of our community. This was an alternative to the yearly Christmas Concert held inside The Centre, which was not possible that year, as The Centre was closed, undergoing major renovations. Last year due to COVID we were unable to have any carolling event.

This year, as COVID restrictions are easing and vaccinations are prevalent, we would like to assist in re-kindling our community spirit by repeating an evening of outdoor carolling. If you are interested in participating, please join us on **Dec.17<sup>th</sup>**. We especially welcome new residents of our community. All voices are welcome, also those who can provide instrumental accompaniment.

We will adhere to all COVID protocols and request identification and proof of double vaccination, per the direction of our own Canterbury Common community.

Please join us and watch for a sign-up sheet and more information in The Centre.

(PS: If we find ourselves without an instrumentalist, we'll be looking to find someone with a pitch pipe. Does anyone have one?)

## **HOMEOWNER AGREEMENT FORM**

Thanks to everyone who has responded so quickly in getting your Homeowner Agreement form signed and into the drop boxes located in the postal kiosk and the foyer at The Centre. For those who just received it, please sign it and deposit it in the drop boxes as soon as you can. This will help the volunteers, who are working on this project, wrap everything up as soon as possible. Should you not be able to get to The Centre or the postal kiosk please call Todd Glenn at 416-706-5805 or Gord Simmons at 905-982-1330 and we will drop by and pick it up.

## **PATHWAY – McCaw Court to the Centre**

George Clapham

Please note that the Pathway from McCaw Court to The Centre will not be maintained during the winter. House and Property will be installing “warning signs” at each entrance to the trail. Users do so at their own risk.
