CCRA INFORMATION BULLETIN

June 2023

HOUSE AND PROPERTY

Malcolm Ward

1. Recent night time power outages across Scugog alerts residents to check their Smoke alarms. On the night of June 20th there were a couple of Power outages. Scugog Fire Department was called out to several homes where older, expired smoke alarms would not reset after the return of power. This is a reminder to check your smoke alarms for their expiry date and if these alarms are expired or close to expiry and do not already have internal battery back up, make a point of installing a fresh alarm that has a backup battery.
2. Our CCRA Centre pool is open and this year our pool maintenance team is using a more eco-friendly pool water sanitizer, which lowers the chlorine requirements and softens the water. Let us know what you think of the pool water this year...beyond being wet, that is!
3. West, East and McCaw CCRA common area access points have now been identified. The curb faces and tops have been painted GREEN to identify the common area access points. Our CCRA Common areas are one of the best-kept secrets at Canterbury Common. The curb painting will allow our residents to know where they can enter these common areas behind your neighbours' homes and enjoy a stroll in our neighbourhood and perhaps get to meet new friends along the way.

MEMORIAL BENCH PROGRAM.

Please sit a while and enjoy the 8 wooden benches recently installed on concrete pads. Soil and seeding have been placed around them.

MUNICIPAL AFFAIRS

Phill Egginton

As the new Director of Municipal Affairs I will need everyone to use this email if they have any concerns. municipal_affairs@canterburycommon.ca.

I have a contact person at the township who I can redirect our concerns to, on your behalf.

INTERNET AT THE CENTRE

John Nesbitt

Two issues with the Internet and TVs at the Centre have been identified.

1. The TV channels in the basement TV at the Centre no longer work. Compton Cable (now Rogers) has terminated TV service as they require us to upgrade to Ignite. In addition, the basement TV will no longer stream internet content. It is too old and Youtube cannot load.
2. Complaints about the WIFI internet speed at the Centre being slow have been received. This is especially noticeable when many people are in the Centre and connected to WIFI.

SOLUTION:

1. Upgrade service to either Rogers Ignite or Bell Fiber. Bell recently installed Fiber so it is accessible inside the Centre and we now have the ability to have each company bid for our business.
2. Once WIFI speed is improved we should be able to resolve the basement TV issues without buying a new TV.

Much faster WIFI, Internet and TV service on all TVs and phones will be available soon.

EMAIL BLASTS

Here in Canterbury Common we distribute much of our information by email. We are aware that there are several households who do not have access to email for various reasons. We do distribute the Information Bulletin to these residents during the months where weather is not a problem but there are so many eblasts that are being sent we simply cannot print and distribute every one.

We suggest a Buddy System for information distribution. If you know your neighbour does not have a computer and see information that they would need, maybe you could give them a quick call to share the information. Don't have a computer? Talk to your friends or neighbours and ask them to let you know when information is shared by email.... they may not be aware that you do not receive the emails. Let's do what we can to see that everyone has access to the information sent by eblast.

CCRA MARKETPLACE

Martha Simmons

If you have not checked it out yet, have a look. You access it from the drop down menu once you have logged in to the Canterbury Common web site.

You can use it to list items you wish to sell, donate or purchase. It is much like Facebook's Marketplace but restricted to Canterbury residents so you know that you are dealing with neighbours within your immediate community.

The listing guidelines are outlined and when you click on 'I agree to the Terms of Use' you are redirected to the 'Listings' page, where you can add a new listing or manage your existing listings.

If you need any assistance with this feature, you can contact the Marketplace Administrator at market@canterburycommon.ca
