

Members' Website

www.canterburycommon.ca

The Residents' Association has its own website. It has a wealth of information in our members only section, including resident addresses and telephone numbers, board and committee contact information, neighbourhood news, upcoming events and photo albums. It also has past and current issues of our community newsletter called *The Chronicle*. Our By-Law, Policies and Guidelines are on the public and private website.

Canterbury Common

CANTERBURY COMMON is an hour's drive to Toronto and most areas of the GTA, close to hospitals, doctor and dental offices, grocery stores, drug stores, boutique shopping and restaurants to suit every taste.

COUNTRY LIVING CLOSE TO THE CITY

The welcome smiles and waves from residents provide a glimpse into this warm and closely-knit community.

CANTERBURY COMMON HAS IT ALL - AND THEN SOME. YOU'LL NEVER WANT TO LEAVE OUR ADULT LIFESTYLE COMMUNITY.

Published March 2024

Welcome to Canterbury Common

One of Ontario's most sought-after adult lifestyle communities, Canterbury Common lies along the shores of Lake Scugog in Port Perry, Ontario.

With its own private pool and lounge deck, it is home to over 600 residents residing in 340 freehold, single family bungalows, many with second-level lofts.

Nature trails skirt the lake, ideal for walking or jogging and a vantage point for bird-watching along with an environmentally protected forest preserve.

The clubhouse also known as The Centre, with its homey atmosphere, inviting fireplace in winter and a panoramic view of the lake in summer, is a hub of activity year round. With its own library, full of paperbacks and hard covers, residents can stock up and return books at their leisure.

Canterbury Common is a non-profit, self-governing association incorporated to support the interests of its homeowners. It has an elected nine member Board of Directors and seven Standing Committees: Administration, Communications, Finance, Governance, House and Property, Municipal Affairs and Social. The Board and committee members are all volunteer residents.

Homeowners automatically become members of Canterbury Common Residents' Association (CCRA) and pay an annual membership fee that allows residents to participate in all community activities, and benefit from use of The Centre and other common elements. Every homeowner has full access to The Centre, the integrated parks and other common elements. All residents are required to abide by a set of protective restrictions which ensure open sightlines.

Canterbury Activities

Strength Training - Wednesday afternoons.

Swimming Pool - May to September.

Tai Chi— Tuesday mornings.

Zumba - Wednesday and Friday morning.

If you wish to start an activity, send a proposal to administration@canterburycommon.ca. You could run it with help and advice from other neighbours.

Contact the Port Perry Chamber of Commerce for information about curling, tennis, lawn-bowling, theatre, art, library, parks, walks, dining and golf.

Staying in touch with residents is a very important part of living here at Canterbury Common. We publish news about the activities in *The Chronicle*, our free quarterly newsletter. We also publish monthly bulletins to keep residents updated. We have a TV message board in The Centre with upcoming events and other relevant items. Urgent information is emailed to all registered residents from mail@canterburycommon.ca.

Visit the noticeboard at The Centre where activities are posted. Talk to your neighbours, visit the Happy Hour & Coffee Hour to make new friends.
